

Corporate Bio

Dave McGowan,
Vice President, Asset Management

Dave joins Cameron Corporation with a history of real estate experience gained in the field of third-party property management. He has spent 25 years building a resume inclusive of accounting and operational positions which help him provide an objective and knowledgeable perspective. He is focused on providing high levels of service, both internally and externally, to bring about best results.

As Vice President, Asset Management at Cameron Corporation, Dave oversees the income producing portfolio to ensure maximum returns for the organization and its partners.

Dave earned a business degree from NAIT and holds a Broker's License with RECA. He enjoys travelling with his family and staying active.
