

Corporate Bio

Leeann Lim, CPA, CA, MBA
Chief Financial Officer

Leeann obtained her Bachelor of Science, Bachelor of Commerce and MBA degrees at the University of Alberta and articulated in public practice to receive her CA, CPA designation. She has a proven track record of leading and creating finance teams to achieve operational success through strong finance data platforms founded on robust governance frameworks.

More recently, Leeann was an instrumental member in launching an Alberta-based private industrial REIT and prior to that, was managing the foreign real estate finance team at one of Canada's largest pension funds.

Outside of her professional life, Leeann is an active community volunteer and board member for various philanthropic causes.
