

Corporate Bio

Ling Ngan, CPA, CA
Vice President, Finance

Ling Ngan is the Vice President of Finance, leading the company's budgeting, financial reporting, and operational finance functions. She brings over 17 years of accounting experience across the real estate sector and other industries, with a focus on reporting, corporate tax compliance and planning, and building high-performing finance teams.

Ling is passionate about modernizing accounting functions through technology, improved systems, and data-driven reporting to support scalability and growth. She is a graduate of the University of Alberta and articulated with KPMG LLP, receiving her professional designation in 2010. Outside of her professional life, Ling enjoys great coffee and staying active.
